

# Mini

**INSTRUCTIONS**  
Just fill the Clever K9 with treats  
and let your dog enjoy!

**BENEFITS**

- Stimulates your dogs brain – humans put treats inside and dogs figure out how to remove them.
- Gives dogs a positive “job” – exercising their natural hunting and foraging instincts.
- Serve meals within Clever K9 - helps slow down “gulpers”.
- Helps curb behavioral issues - keeps them busy and out of trouble.
- Customize challenge level by varying type, and size of treat.
- Safe for teeth and jaws, unique material with a chewy bounce-back sensation dogs love.
- Also great for fetch games, tug-o-war and floats for water retrieval.
- Dishwasher safe.

**WARNING**  
THIS IS NOT A CHEW TOY.  
Please supervise your dogs  
when playing with this, and all  
toys. Clever K9 has been  
tested by real dogs. However,  
your dog’s safety is your  
responsibility. Inspect this  
toy frequently, if it is damaged  
or worn, please replace it  
immediately. This product is  
not for consumption.
