ABOUT TULSI TEA

Throughout India, Tulsi is revered as a sacred
plant infused with healing powers, and is lovingly
called the "Queen of Herbs". Traditionally grown in
an earthen pot in every home, Tulsi (also known as
Holy Basil) makes a delicious and energizing herbal
tea. Tulsi is an adaptogenic herb which helps
your body relieve the negative effects of
stress.* Repeatedly noted for 5,000 years
throughout sacred Indian scriptures,
Tulsi's remarkable life-enhancing qualities
are now here for you to fully enjoy. Drinking
3 cups a day is recommended.
Namaste!

Directions: Place one heaping teaspoon of Tulsi blend per cup in
teapot. Pour boiling water directly on Tulsi leaves. Infuse for 3-5
minutes. Strain and serve.

For 1 quart of Iced Tea: Pour 2 cups of boiling water over 8
teaspoons of Tulsi, cover and infuse for 20 minutes. Strain and add
2 cups of cold water and refrigerate. Pour over ice to serve.
