SpiruGreen—SuperFood with Astaxanthin for Pets

SpiruGreen - SuperFood with astaxanthin for Pets

SpiruGreen packs a one-two punch with spirulina (*Arthrospira platensis*) and astaxanthin (*Haematococcus pluvialis*). This is a powerful package that provides all the nutrient value of spirulina, including carotenoids, phycocyanin and enzymes, plus all the goodness of astaxanthin, a powerful fat-soluble antioxidant carotenoid. This supplement package provides immune support, eye health support, and skin-care benefits for animals.

BENEFITS FOR PETS

- Supports immune defense
- Lustrous coat
- Eye health
- Improved flexibility in joints
- Supports optimal skin health
- Enhanced color (birds and fish)

SUGGESTED DAILY USAGE

Small dogs/cats: 1 tablet

Medium dogs/cats: 2 tablets

Large dogs: 3 tablets

Giant breed dogs: 4 tablets

Birds: 1/2-1 tablet

ground to bite size pieces

Fish: 1/2-1 tablet ground to powder
