Natural Sunscreen with Astaxanthin

This 100% natural and local recipe comes straight from the sun-loving people of Acapulco. Natural Sunscreen's ingredients protect, nourish, and soothe your skin with antioxidant-rich green tea. Plus, its special mineral sunscreen provides overall protection from the sun's potentially skin-damaging UVA and UVB rays. Water-resistant and hypoallergenic, Natural Sunscreen takes good care of your skin. Equally great for children, too!

DRUG FACTS

Active Ingredients

	Purpose
Titanium Dioxide (6.0%)	Sunscreen
Zinc Oxide (6.0%)	Sunscreen

Uses

- Helps prevent sunburn
- If used as directed with other sun protection measures (see *Directions*), decreases the risk of skin cancer and early skin aging caused by the sun.

Warnings

- For external use only.
- Do not use on damaged or broken skin.
- When using this product keep out of eyes. In case of eye contact, flush immediately with water.
- Stop use and ask a doctor if rash occurs.
- Keep out of reach of children. If product is swallowed, get medical help or contact a Poison Control Center right away.
