

SUGGESTED USE: Adults take two Licaps™ capsules daily with food and water, or as directed by your healthcare professional.

Dr. Mercola's Liposomal Vitamin C uses liposomes (fat) to increase the bioavailability of vitamin C, since water-soluble vitamin C is not absorbed well. **Liposomal Vitamin C** can also potentially ease intestinal discomfort associated with taking high amounts of vitamin C.

Dr. Mercola has been providing quality products since 2001. To see more products, go to products.mercola.com
