

Unless the mind is firmly established
in the Heart, reality will become veiled
by the falsehood that is the mind.

— SRI RAMANA MAHARSHI

At the heart of ORGANIC INDIA is our commitment to be a living embodiment of consciousness in action. We work with thousands of family farmers in India who cultivate tens of thousands of acres of organic farmland. ORGANIC INDIA actively promotes sustainable agriculture and pays a premium market rate to our farmers. All our tea products promote wellness and are certified organic. 🌿 The product you hold in your hands is one link in a chain of love, respect, and connectedness between our farmers and you. By choosing ORGANIC INDIA, you are completing this chain, which provides training and a living wage to the Indian farmers, creates a sustainable environment, and brings happiness and well-being back to you.

Tulsi Tea

VANILLA CRÈME

CAFFEINE-FREE

This rich-tasting tea combines the creaminess of vanilla with the caffeine-free health benefits of red tea from Africa. Add in the warming spice of Tulsi and you have a full-flavored crescendo that delivers a sublime cup of tea.

ABOUT TULSI TEA

Throughout India, Tulsi is considered "The Queen of Herbs" and is revered as a sacred plant infused with healing power. Traditionally grown in an earthen pot in every family home or garden, Tulsi (also known as Holy Basil) makes a delicious and refreshing tea that possesses wonderful health benefits that support the body's natural immune system while relieving the body's negative reaction to stress.* Tulsi's remarkable life-enhancing qualities, noted repeatedly in ancient Indian scriptures dating back 5,000 years, are now here for you to fully enjoy. Namaste!

Directions: Pour 8 oz of freshly boiled water over tea bag in a cup and infuse for 3 or more minutes. Add milk or dairy substitute and a sweetener if desired. Double the strength when serving iced.

Iced Tea: Pour 2 cups of boiling water over 8 tea bags and steep for 20 minutes. Remove tea bags and add 2 cups of cold water. Refrigerate to cool, and pour over ice. Makes 1 quart.
