VEGAN PROTEIN

PERFECT BLEND OF PEA, HEMP, CHIA,
CHLORELLA & POTATO PROTEINS

Vegan Protein is an artfully crafted vegan protein mix that contains a perfect blend of pea, hemp, chia, chlorella, and potato proteins. In each serving, you get 12 grams of protein.

The best part? That's a toss-up between the high quality ingredients, the great taste, and the fact that Vegan Protein doesn't contain any added sugar. **Vegan Protein** is proof that you don't need sugar to make something taste good.

Our **Vegan Protein** is packaged in this bag to reduce our impact on the environment. It takes up considerably less space and less petroleum to make than traditional plastic canisters.

RECOMMENDED SERVING: Mix 2 level scoops with 6-8oz of water or milk until desired consistency is reached.
