

# Organic cotton balls

---

Dr. Mercola's Organic Cotton products are specially made for health and environmentally conscious individuals. The cotton used for this product is certified organic. Organic Cotton Balls are gentle on your skin and free of chlorine, perfume, and viscose rayon.

Why organic? Organic cotton is required to go through a stringent certification process, so you can rest assured that you are receiving a high quality product.

Dr. Mercola's Organic Cotton Balls adhere to the following standards to keep the earth and your body safe:

- **Certified Organic Cotton** - Viscose rayon and pesticide free. Free of genetically engineered cotton.
- **Chlorine Free** - Hydrogen peroxide is used in the cotton bleaching process.
- **Perfume and Irritant Free** - Gentle on skin.
- **Made with your Comfort in Mind** - Assurance techniques are used to provide you with the best product possible, without compromising quality.

**WARNING: KEEP PLASTIC BAG OUT OF REACH OF CHILDREN.**
